

Creating and Teaching Inspiring Lessons in FE

(HE version available)

Presenter: Dr. Anna James

This workshop provides FE tutors with an opportunity to reflect on their teaching strategies and learning resources. Tutors will leave with creative ideas for the classroom, including quick and easy as well as more complex methods to inspire even the most challenging of learners. The course is useful for both new and experienced practitioners. All participants will leave this session with resources they can immediately implement into lessons.

Part 1

9.30-10.45

- Welcome
- Introduction to the course
- Creative teaching ideas suitable for all level learners
 - ✓ How to manage a creative classroom and making sure learning happens
 - ✓ Starters and energisers
 - ✓ Plenary ideas
 - ✓ Setting targets post the plenary

Break: 10.45-11.00

Part 2

11.00-12.30

- Activities for the middle of your lessons:
 - ✓ Ideas that require little preparation but help learners work independently
 - ✓ Ideas that are fun but embed higher-order thinking
 - ✓ Applying this to your topic area
- Question and answer session
- Evaluations
